TITLE 21. ELECTIONS  
CHAPTER 2. ELECTIONS AND PRIMARIES GENERALLY  
ARTICLE 6. REGISTRATION OF VOTERS

O.C.G.A. § 21-2-220 (2008)

§ 21-2-220. Application for registration; identification requirement; rejection for failure to provide required information or for submission of false information; aid to disabled or illiterate

(a) Any person desiring to register as an elector shall apply to do so by making application to a registrar or deputy registrar of such person's county of residence in person, by submission of the federal post card application form as authorized under Code Section 21-2-219, by making application through the Department of Driver Services as provided in Code Section 21-2-221, by making application through the Department of Natural Resources as provided in Code Section 21-2-221.1, by making application through designated offices as provided in Code Section 21-2-222, or by making application by mail as provided in Code Section 21-2-223.

(b) Notwithstanding any other provision of this title, whenever a person makes application to register in person or through the means specified in this Code section, the person authorized to offer registration shall inquire as to whether the individual seeking registration is a citizen of the United States, and the person offering registration shall not be required to offer registration to an individual who answers such inquiry with a negative response.

(c) Except as otherwise provided in this subsection, electors who register to vote for the first time in this state by mail must present current and valid identification either when registering to vote by mail or when voting for the first time after registering to vote by mail. The current and valid identification shall be one or more of those forms of identification provided in subsection (c) of Code Section 21-2-417 or a legible copy thereof. The registrars shall make copies of any original forms of identification submitted by applicants and return the originals to the applicants. The requirement to submit identification shall not apply to:

(1) Persons who submit identifying information with their applications that the registrars are able to match to information contained on a state data base available to such registrars containing the same number, name, and date of birth as contained in the application;

(2) Persons who are entitled to vote by absentee ballot under the federal Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. Section 1973ff, et seq.; or

(3) Persons who are entitled to vote otherwise than in person under any other federal law.

(d) If an applicant fails to provide all of the required information on the application for voter registration with the exception of current and valid identification, the board of registrars

shall notify the registrant in writing of the missing information. The board of registrars shall not determine the eligibility of the applicant until and unless all required information is supplied by the applicant. If the initial application is received prior to the close of voter registration prior to an election, if the applicant supplies the necessary information on or prior to the date of the election, and if the applicant is found eligible to vote, the applicant shall be added to the list of electors and shall be permitted to vote in the election and any run-off elections resulting therefrom and subsequent elections; provided, however, that voters who registered to vote for the first time in this state by mail must supply current and valid identification when voting for the first time as required in subsection (c) of this Code section. In the event the elector does not respond to the request for the missing information within 30 days, the application shall be rejected.

(e) If an applicant submits false information, the board of registrars shall reject the application and shall refer the application to the district attorney of the county for criminal prosecution. If the false information is not discovered until after the applicant's application has been approved and the applicant's name added to the list of electors, the giving of such false information shall be cause to challenge the applicant's right to remain on the list of electors, which, if sustained, shall result in such applicant's name being removed from the list and the application being submitted to the district attorney of the county for criminal prosecution.

(f) A person registering to vote who is disabled or illiterate may request assistance from any other person in completing the form for registration, but the person offering assistance shall sign the voter registration form in the space provided to identify the person offering assistance.

(g) The registrars shall note on their records and the electors list any elector who registers by mail for the first time in this state and does not provide the identification required by subsection (c) of this Code section.
